

ACCESS Anesthesiology®

Pain Management, Critical Care, & Perioperative Medicine

AccessAnesthesiology® is an innovative online resource housing a collection of the most current anesthesiology resources, featuring textbooks, procedural videos and images, self-assessment questions, practice guidelines, and more, all in one comprehensive search platform accessible on any device.

- > **SEARCH AND DISCOVER** multimedia, drugs, images, textbook content, and more with a single search query
- > **PREPARE** for certification and test your knowledge with thousands of model exam questions
- > **EXPLORE** procedural videos, animations, and images to help guide you through basic and advanced skills procedures—from Airway Management to Vascular Access

> TEXTBOOKS

Access and search content from more than 20 textbooks. Available titles include:

- **Anesthesiology**
- **Morgan and Mikhail's Clinical Anesthesiology**
- **Clinical Manual and Review of Transesophageal Echocardiography**
- **Goodman & Gilman's The Pharmacological Basis of Therapeutics**
- **NYSORA Textbook of Regional Anesthesia and Acute Pain Management**

For a complete listing of textbooks, visit the Readings tab on accessanesthesiology.com
